Dear Sir/Madam,

Your refund request for 10625778 in the amount of \$810.00 has been denied. Applicant's argument has been considered but not found persuasive. Accordingly the request for refund remains denied.

Applicant argues that the question is whether the amendment placing claim 4 in independent form is whether the amendment places the application in condition for allowance. Applicant's argument is misplaced since amendment practice after the Board of Patent Appeals and Interferences decision for this instant application is governed by MPEP 1214.06. II.

Pursuant to in MPEP 1214.06. II., because dependent claim 4 was objected to prior to appeal but was not rewritten in independent form prior to appeal, claim 4 would be cancelled after the final rejection of claim 1 that it depended from was affirmed by the BPAI. After appeal, prosecution remains closed and applicant had no right to amend claim 4 unless prosecution is reopened such as by filing an RCE.

For the above-stated reasons, the request for refund of the RCE fee remains denied.

Sincerely,

Wynette Stapor
